Terms of Posting

Within the **exim*trade** International **trade*forum**
as of 1/1/2003

Generally

Please note that ALL **trade*forum** postings are subject to administrative review, alteration for content, and final approval by exim*trade administration. Your post may be denied for any reason, at our discretion. All Demand and Offer posts are reviewed for appearance, content, regulatory limitations, possible illegal trade activity, and other general and specific requirements in order to enforce the integrity of our **trade*forum** and perform due diligence on behalf of our clientele.

All posts must relate Country of Origin information.

Legitimate commodity listings only. No posting for trade-related services will be allowed.

Illegal activity and false inducements are strictly prohibited.

NOTICE: By submitting your post within the **trade*forum** you acknowledge agreement and understanding of the aforementioned and following terms.

Free Postings

All free postings show only general buyer/seller information (email, phone, fax, address, company name and website information, and all pricing information is suppressed). All postings are subject to administrative edit by exim*trade, and all inquiries are handled by exim*trade staff. Confirmed sales as a result of posting and management of inquiries incur a 5-10% commission to exim*trade, as agreed.

Often, trade*forum listings result in sales inquiries that we can provide assistance with. Of course, all inquiries from interested parties will result in your being promptly contacted.

NOTE: All trade*forum postings are fully vetted by exim*trade staff for appearance, content, regulatory limits, illegal trade, etc. and reserves the right of full review, edit, and approval. If necessary, in order to more effectively market the posted product and enhance the post's appeal to our visitors, some limited artwork (product photos, collages, etc) may be added to a basic posting at the discretion and choosing of exim*trade administration.
